

YEAR 5 HISTORY REVISION

The Test Paper Will Consist of:

Various questions on Tudor Britain (60 Minutes)

This is a test of knowledge on what they have learnt this year about various aspects of The Tudors and Tudor life. Pupils might be asked to compare different sources, fill in blank spaces in order to complete a passage, write a short paragraph or essay on one of several different topics etc. Spelling and grammar are not assessed.

Pupils should:

- Look carefully at the marks on offer for each question as well space provided to guide them.

Teachers will:

- remind them of how much time they have used as they progress.

Equipment needed:

Sharp pencils and 2 pens if you usually use pen.

Topics:

Topics that pupils have covered this year are:

- The War of the Roses
- Henry 8th and his wives
- Elizabeth 1st and reasons why the Spanish Armada failed
- Factors which contributed to the spread of disease in Tudor London
- The Great Fire of London in 1666
- Rich and Poor Housing
- Dates of main events during Tudor times
- The Great Plague of 1665

Test Style Questions

Why did Henry marry so many times? (5 marks)

Why were the English so successful during the Spanish Armada? (5 marks)

List 3 differences between rich Tudor housing and poor Tudor Housing (3 marks)

The Tudors

These are some of the things you need to know about:

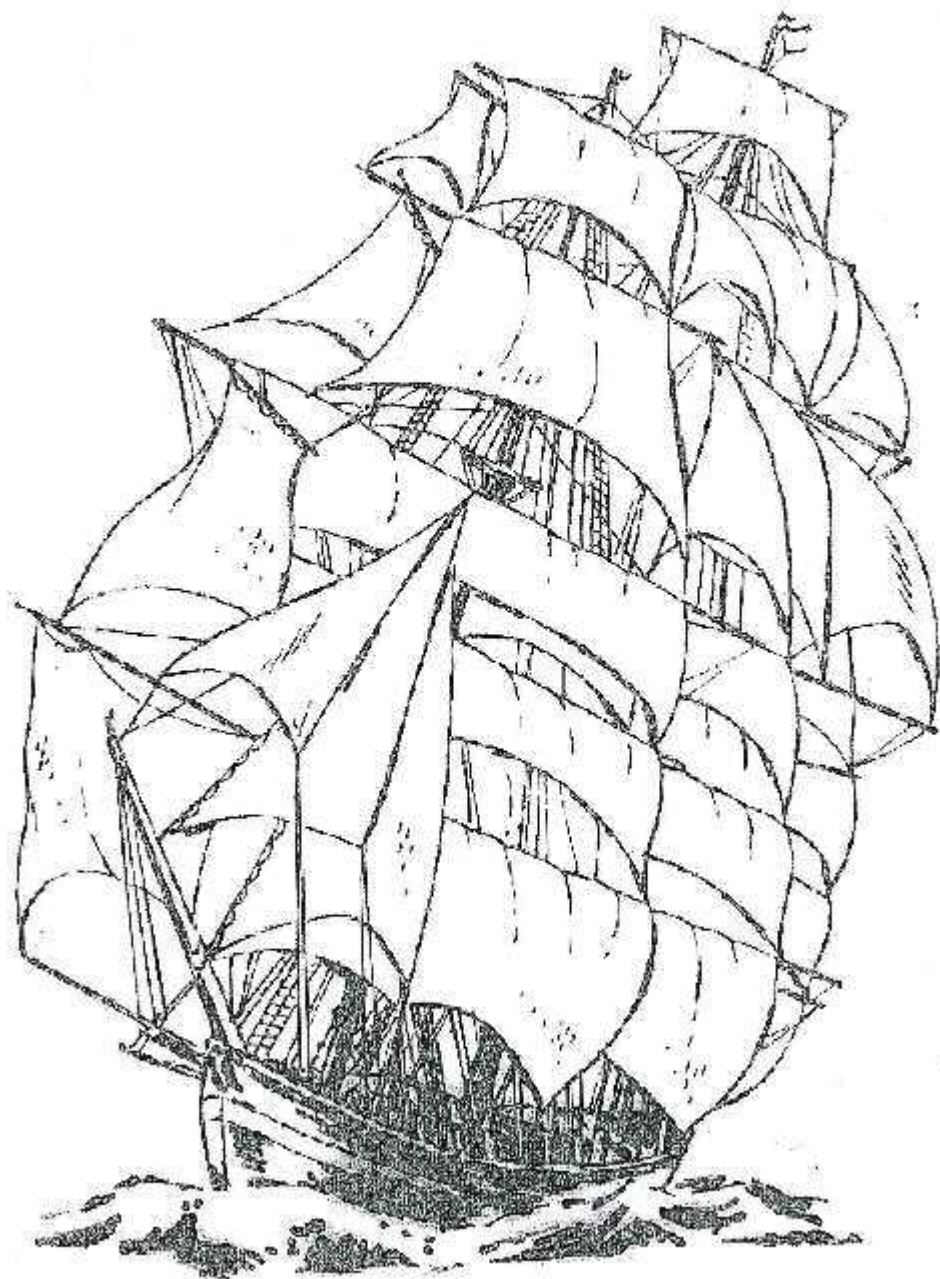

- ❖ Henry VIII – his six wives, religion and his power.
- ❖ How the Tudor dynasty began
- ❖ Tudor life in towns and countries
- ❖ The Spanish Armada and Queen Elizabeth
- ❖ The Great Fire of London – why it broke out, the main events of the fire and the results of the fire.
- ❖ The Great Plague – why it broke out, the main causes of it spreading, the symptoms and how it stopped.

Task H1

Draw a mind map with words associated with the Tudors on it. Put in some simple Pictures to remind you of the important aspects.

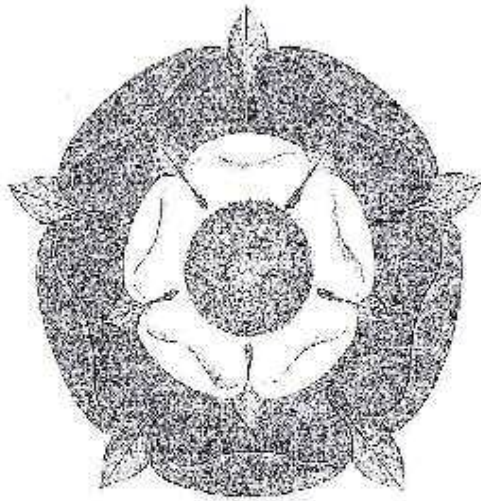

Task H2

To help you remember information about the Spanish Armada, write some facts on each of the sails of the sailing ship.

Task H3

Make notes around this Tudor Rose to say how the Tudors first came to the throne

Task H4

Henry VIII had 6 wives. Write as many facts about each one as you can in the boxes below. Include the names of any children they had with Henry.

1.

2.

3.

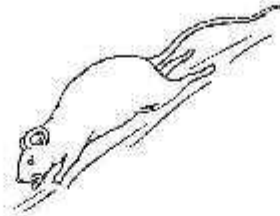

4.

5.

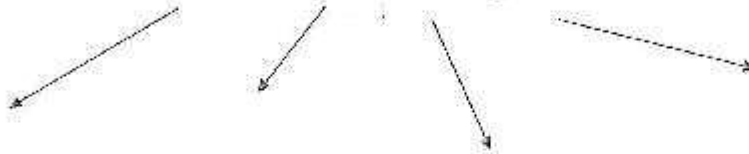

6.

Task H5

Look back in your book to revise the causes and symptoms of the plague. Once you have re-read the information, put down notes under each of the headings below.

Causes of the Plague

Why did it spread so quickly?

Symptoms of the Plague

Task H6

In the spidergram below, write points about what you can remember about the Fire of London. Once you have written your notes, give your spidergram to someone else and ask them to test you on: the causes; how it spread; how it was stopped and how London changed to prevent future fires.

The Fire of London
