

## **A Girl's Best Friend**      **by Ella Harvey**

My faithful, four-legged, furry friend,  
Will be with me until the end,  
Through thick and thin,  
Whatever mood I'm in,  
She stays by my side,  
And makes me smile with pride.

She sniffs me with her cold, wet nose,  
A long pink tongue licks my toes,  
Her velvet ears are soft to touch,  
No wonder I love her so much,  
Two swirling chocolate pools look at me,  
Wherever I go, she wants to be.

She is a running, shooting star,  
In the park, the fastest by far,  
She loves to curl up on my lap,  
For her daily afternoon nap,  
My faithful, four-legged, furry friend,  
Will be with me until the end.
